Performing employees shall be all permanent employees, including adjunct faculty at colleges and universities, who have been rated as "achieves" or better on a performance plan if required by Division of Human Resources rule, including probationary permanent employees making satisfactory progress. The Legislature supports the Governor's recommendation to fund increases in the cost of health insurance benefits and directs the director of the Department of Administration, as the administrator of the state insurance plan, to maintain the current benefit package to the extent possible, which may require a cost sharing on the part of employees for the increased cost of the health insurance plan.
